“ Chuck, what can I say, I grew up with him. He was a special friend with all the Glenwood Group. We use to be able to just sit an talk about things, He made me laugh. I would think of him an my friends now an again, wondering how they may of i½changed with getting older. I remember calling Chuck an Barb a few years ago, we never did have a chance to get together. i½I was so happy when I found out Barb an Chuck got married, I remember when we were hanging around together, thinking that they would make a good couple. i½i½I know he will be sadly missed by his Wife Barb, children, family an friends, as I say good-bye to my dear friend. An Barb I am so sorry for your loss. Kitty##imported-begin##Kitty (Cunnea) Schwalm##imported-end##
