“ *My Uncle Chuck was very special to me. He was sweet, funny, smart and I loved talking politics with him. I regret that we lived so far away from one another because I would have loved my husband and sons to have known him. He will be missed!!*

“ *One of many favorite memories of my grandpa was the long country drives leading to an all day fishing session. Fishing was one of his many passions and I'm so blessed to be able to have experienced so many memories with him.*
