“ My deepest condolences on the passing of Charlie. I enjoyed many a breakfast with him around the area. Charlie had the best laugh and loved talking about his granddaughters. He was so proud of all of his family and always had a story to tell. Stacey, he couldn't say enough about how appreciative he was to you for all that you did for him, especially taking him into your home and making him feel so welcome.

*I went to visit Charlie at the Grove and he may not have remembered me, but I loved our visit anyway. May you rest in peace my good friend, Charlie.*
