“ First met him in the late 60's in Steger. Lost touch for about 15 years then found out he was my neighbor. Always willing to relive the " Good Old Days" and lend a hand or moral support. We both loved and owned Harley-Davidson motorcycles but never forgot other classic brands.I currently own his old '75 750 Honda purchaced only a few months ago.He even helped me push it home, just down the street. He was someone you could trust completly and was honest to a fault. He is truly missed. I cannot make his services but send my heartfelt condolences.##imported-begin##Matt & Cathy Zalac##imported-end##
