“ *Uncle Chuck has just always been there; he was one of the bridges between the North Carolina family and the Illinois family.

It is still so new and all we see is the empty space,

but that is not how it is in

the landscape of the heart.

My thoughts and prayers reach out to all the family.

“ Dear Dorothy, Please accept my condolences. I remember your brother so well from a visit Gram behrman and I made when I was a child. He, your Mother and your were so kind to me. Also that you came to see me when I was in Marquette the summer before I went in the Peace Corp. Mom just turned 85 on Thursday. She is doing quite well, she fractured her leg last summer and has been a struggle getting mobility back. My husband is retired now and we spend six summer months here in Helena and winters in Florida. I hope you are well. With fondest memories.
