

Charlie Jensen

October 31, 1956 - February 21, 2021

Charlie Jensen

Born 10/31/1956 to William & Evaline (Bouchard) Jensen passed from this life to the next on 2/21/2021 after a hard fought battle with NHL.

He is survived by his wife Jill (Barnes) Jensen who shared 44 beautiful, loving years together. From this love came their children Charlie, David, Jane & Julia; their grandchildren Makenzie, Charlie, Carter, Maddilyn, David, Kyrstin, Teagan, Jillian, Grace, Alison, Owen and step-grandchildren Emily, Kym, Hailey, Charley, and their dad Matt. He is also survived by his brothers Rick (Karen), Jim (Eve), sisters Dottie (Al), Roxann (Mike), sister-in-law Sheree, and a bunch of great nieces & nephews.

He was preceded in death by his parents, sister Jackie, brother Bill, niece Susan, and brother-in-law Jeff.

To his family, Charlie was the strongest man in the world. He was strong in his love & care for them, strong in his friendships, and so strong in his fight to stay here with us all. It feels impossible to think of life without you, but we will be strong like you have taught us.....on the promise of one day seeing you again.

Cremation rites have been accorded. A memorial visitation will be held from 2 p.m. until the time of the 4 p.m. memorial service on Saturday, February 27, 2021 at Clancy-Gernon Funeral Home in Bourbonnais.

I am so sorry to hear about the loss of your husband in February. I am sure this is a very difficult time for you and your family. My thoughts and prayers are with you.

“ *Jill, our thoughts and prayers are with you and your family at this difficult time. Remember the good times and all of the love and, talk about Charlie often. Time will heal your loss. He is in the arms of our Savior and in a mighty fine place! Keep the faith.*

We just arrived home from Florida and I went to push some snow off our entrance and I had three vertebrae go out. Wish we could have been with you and the family at the service.

*All our love,
Jim and Sandy Alaimo*

“ *I first met Chuck in 1965 and yes for Chuck and Jill's kids and especially for their grandkids who maybe hear listening that does sound ancient. Even more, a reason to appreciate how special Chuck was in my life as an 8-year little boy who meant another 8-year little boy. What made my friendship with Chuck so special was we managed to get along and never once did I ever not like him even when he was wanting to marry Marla Doogan or Vicki Alpers and I too wanted to marry either one. Lol. I just want everyone in this room between the ages of 8 through 13 to know it is possible to have a friendship like I had with your grandpa. It pains me deeply that I am not there with all of you. Not a day has gone by this week that I haven't thought about him. I've had moments when I ache because you know how special a person is in your life when they leave us. Other than my own family Chuck was without a doubt the best person and best friend any human can ever ask for. I love you Chuck and you will always be in my heart and soul for the rest of my life. Our friendship was one of kind and together we made that happen. I could go on and on because I don't want to stop thinking about you and what I think made us both who we became as adults. I think you and everyone understand now why I wanted and needed to be there for you and your family and me. I will never forget the day you and Jill showed up for my son Adams's service. Of course, you'd be there that's what best friends do, even when those best friends were only kids. I will miss you, Chuck*

“ I have so many memories of my best childhood friend Chuck. Our friendship started in first grade and endured 8 of the best years of my life. We played baseball, basketball together. The one memory that stands out was the year that my dad the manager and my dad gave Chuck the most improved player and I got the MVP and my dad took a lot of heat for that. I hope that nobody is holding a grudge still. I remember my first sleepover at Chuck's I think I was in 5th grade I was so nervous when we all sat down for dinner he had such a large family 3 sisters, Jackie(I was crushing over her) Dottie, and Roxanne, 3 older brothers Bill, Rick, Jim, his dad and mom all sitting at that huge kitchen table. Here's where the memory begins his mom made white beans and ham for dinner and I never liked ham and hated beans. I couldn't tell anyone that so like a good little trooper I took a bite of the meal and almost threw up at the dinner table in front of Chuck's whole family. From that day on I have never eaten another bean. So I missed on Chili growing up just because of my very first sleepover. But then I remember going to bed up in their attic because they had so many kids and not enough bedrooms they made bedrooms in the attic and without air or heat so summers were hot and winters I froze but I still wanted to continue sleepovers. I remember playing basketball for hours and hours in his barn it was so cool to have a basketball court indoors. I have so many more. But the best of all was he was my best friend ever! Thanks, Chuck

“ He was the best grandpa I have ever had. There are so many memories that come to mind when I think of him. I will never forget him always showing up to me and my brothers softball/baseball games. He was always involved no matter what, whether it be coaching or just sitting in the stands. He never complained if it was raining, snowing, or anything. He was always there. He had an amazing sense of humor too. He was a great teacher, very wise. He taught my family so much. I miss him so dearly. He will never be forgotten & im so thankful to have him as my grandpa. Rip grandpa. I love you.
