Tribute Wall

with my grandchildren, my heart swells with an overwhelming love. From the first time I held them in my arms, I knew they were a precious gift. Their laughter echoes in my soul, their smiles light up my world. Watching them grow fills me with pride and joy beyond measure. My love for them knows no bounds. They are cherished beyond words, and my greatest wish is to see

“ To all of dear Charlottes loving family.... so very sorry to hear of her loss... I just today read of her recent passing. She left many beautiful memories, a few I can recall from times I was blessed to have contact, but reading the tributes here, prove she was a wonderful lady. You are blessed to have had her in your lives to such a prestigious age. May the returning loving memories help heal your hearts, and knowing she is once again young in our blessed Heaven above.

“ My condolences to the Sirois Family. Charlotte was a wonderful lady. I had the pleasure of visiting with her on the phone and when I would bring her magazines to read to occupy her time. We had many nice conversations and she would tell me about her family which she cared for very much. I considered it a privilege to be her friend. I am sure that she is surrounded by heavenly flowers and may God hold her in the palm of His hand.
