“ I worked with Chuck while an RN on Riverside's Mental Health Unit. Chuck was generally a quiet person with a good sense of humor. He knew-and did-his job well. He had an infectious smile and was so kind to our patients. My sympathy goes out to Chuck's family.

“Karen, I was SO sorry to hear of the passing of your brother. I worked with him at Riverside and he ALWAYS went above and beyond to help others in their time of need. He always spoke SO highly of you and you could tell the love he had for you that went above and beyond words could ever say. I've missed seeing that smile of his here at Riverside and he will be missed. Many, many prayers to you and know that he loved you above anything else that was in his life.

Karen, I am so sorry to hear of the passing of your brother. Chuck was so determined when he went on his weight loss program. He would pass my home on his walks almost daily. So motivated. We worked together at Riverside and he was always so friendly to his co-workers. RIP, Chuck.
