“ I remember growing up next door and spending a lot of time at Charin's House. She was like my second Mom. Every time I saw her she would have the most beautiful smile and not a hair out of place. A beautiful lady in every sense of the word. Most people today barely know their neighbors name, but this sweet lady knew no strangers. As I read about her promotion to her eternal home and rewards for all her labor of love, I rejoice in this great Joy. I also hurt for for the families loss of an awesome mother and great friend. May we never forget One of her greatest lessons was to love. So many fond memories. Words cannot express our deepest sympathy. Praying that God will give you a peace that surpasses all understanding. With love & honor, we celebrate her life with you. Please Lord pour out Your Love on the whole family and friends during this time. We rejoice in knowing we will see her again!!
