*Chrissy,
Seems like time is short- I remember hanging out with you in high school (like it was yesterday), Seems like time is too long- I remember seeing you a few years ago and catching up over drinks...but I can't believe your gone-forever, that we will never laugh together again, because you always made me laugh and feel good inside! I wish I had been able to tell you goodbye, so since it never came up- I will just say- See you later:(*

“ I have so many great memories of days when we were neighbors and just trying to raise a family.

Grocery shopping, Christmas shopping, boating, camping in Shelbyville.

Back then we spoke at least once a day.

Those are the memories of Chris that I want to keep with me.

Dave, Brandon, LeeAnne, keep those good memories with you.

You will need them someday.

I love you all

“ I was so sorry to read of Christine's passing. I remember her from the Kankakee Training Center where she was a great receptionist. I also remember that she had a red headed daughter. Christine was beautiful!
