“ Jo and Family,

*My sincerest sympathies for your loss. Chris was a pleasure to know and always a kind woman. I know these years have been a struggle for Chris and all of her family, she is now found peace.*

*I lost my Mother to this dreadful disease and all I can say is - keep the good memories in your daily lives and tuck the bad days away, and know what a wonderful family you have been in supporting this wonderful woman through it all.*

*She has touched many lives but most of all she touched all of you - her family.*

*May God bless each of you and bring you all peace, healing and living every day!*

*God Love you, Barb Hood*

“ Craig, Brian, Kevin, and Marlene: I am so sorry for your loss. I wish I would have met Chris earlier. From all the tributes that I have been reading, Chris must have been a great person. She would be so proud of her family's strength during these last few years and always being there for her. Please know that Chris's passing leaves sadness in my heart and I will miss seeing her at Faith Place. God bless your family.
