“ I miss you brother. We had so many good memories together. One of my favorites was when we'd sneak off and go fishing together when we were younger. Boy dad wasn't happy about it but we were careful and we had so much fun laughing. It was so great seeing you at the reunion last year. You never missed my birthday and your phone calls meant so much to me. - Betty

“ Uncle Clarence, I'm going to miss our phone calls. A part of me is lost without hearing your voice for 5 min every day. You filled a fatherly void and were always more than an Uncle -You were my friend. You always believed in me and encouraged me and I will think of that every day.

Please know that we will miss you and may you rip and also watch over your family. Sending prayers to Betty and the rest of the family for peace and comfort. You all have my sincerest sympathies and condolences. Tom and Bev Cranston
