*It's almost a year you are gone. I think of you every day and miss you dearly. You love an devotion to our family will never be forgotten. You were a humorous, talented, loving, mom--one that I wouldn't trade the world for--"The best mom in the whole wide world!"*

“ Terry, I've been thinking of you as you say a final goodbye to your Mom. I have good memories of growing up two doors down from you. Your Mom always had an eye out that we weren't getting into trouble! I remember your Dad mowing your lawn and his car parked in front of your house. And of all of us riding our bikes on the street until our folks called us in. And Terry, you were the best baseball player in the neighborhood. Thinking of you and remembering your Mom, Dad and Michael. Teresa Wood Girot

*Even though she didn't recognize me toward the end, I knew she knew I was family. She always held and kissed my hand along with a huge smile. She may not have remembered me but I remember her and all the love and fun we had as our families grew together with so much love. Putting all the pictures together brought back the best memories ever. Tell everyone we said we miss them! Love you Aunt Clara ❤️ RIP*
