“ We love you Aunt Cleo. Thank you for fond memories when my brothers and I were kids and as adults. I will cherish the time, Betsy, you and I compared our thinning hairlines. You will always be apart of our hearts. My dad will lead your way to eternal peace. He will always be a teaser but he will protect his little sister.

I worked with Cleo and Betsy at Riverside in Medical Records when I was just a kid. Cleo was a hard worker with a big laugh and was always kind to me. May she find peace and love with God in heaven.
