“ *I met the Dyons' at least 30 years ago. Mr. Dyon would work on my old clocks for me every year. He would work on the mechanical and she would often clean the face, hands and other areas. I would drop off or pick up clocks and would stay for 30-40 minutes talking! They were very special to me. I will always remember their kindness. I am SO Blessed to have met such wonderful people. God Bless them both.*

“ I want to give you my sympathy to the Dyon family. I never met a more wonderful human being in my life. I use to be her housekeeper at Westwood and she was one of the reason I loved my job so much. What a life this woman had you can be so proud of all the memories. God bless jackie
