The guys in the shop and myself are very sorry for your loss and ours. Cliff was a very hard working man and always happy. He kept the mood in the shop bright. It was a pleasure knowing Cliff and working with him.

I had the pleasure of working with Cliff for many years at Petrak Industries. Cliff was highly skilled and always brightened the day. He enjoyed flying his drones around the shop and was just a good guy to have as a co-worker. My condolences to his family and our prayers will be for Cliff and his family.
