We can only imagine the hurt and pain that you have been through. I still hurt everyday over the loss of my mom 5 years later, it does get easier as time goes by. It helps to believe that someday we will be reunited and we can make up for all this lost time, we will all have one great big party in heaven.

“ We pray for the Arbour family and others in the circle of family and friends who are grieving...<br><br><br><br>Lord, They're hurting for many reasons, and I ask You to help them through this season of loss. I reach out to You, the Father of compassion and the Source of every comfort, asking You to touch them with Your unfailing love and kindness. Be their God who comforts them as they're going through their struggles, and bring them through the tough things ahead. Come alongside them in their pain, and strengthen them so they'll one day be able to help others who face the same struggles.
