“ *Prayers for her family and friends. I met her on Family Corner. Great memories. We never met but thru our time on Family Cornet and our time on Facebook in our family Corner group I felt as I did.*

I know she will be missed by many but she got her angel wings and one day will meet her in heaven. My deepest sympathy goes out .

“ *I had the pleasure of working with Coleen in School District 143. She was a loving and kind person and always had a smile on her face. She always had a special place in her heart for all my special education students when she came into our classroom and when we worked on projects in the computer lab. Colleen and I grew up 2 miles apart and also shared many stories of growing up on the southwest side of Chicago. We laughed a lot and truly connected. To her family; May all your special memories give you comfort. God Bless.*
