“ Tony and I will fondly remember all of the wonderful times we have shared with Colleen and Mike over the years. ¶½Like those wild and crazy days (and nights!) on the KKK river, the late night card games filled with laughter and jokes and wild stories, and even the more serious moments filled with colorful, passionate conversations, just to name a few.<br><br> ¶½Colleen brought energy and fun with her every time we got together. ¶½She was funny and she brightened up a party! ¶½Her sense of humor would keep us all rolling along on waves of laughter well into the evening.<br><br><br><br>We shared so many amazingly good times over the years with Colleen and we really felt a kinship with her and her family and that was something really special that we will remember always. ¶½Her memory will be carried in our hearts forever and we wish her a peaceful rest in God's arms.<br><br>##imported-begin##Laura L. “ Due to the fact that Mike and Colleen lived in FL, we only saw Colleen 3 times after her diagnosis. Her spirit and positive outlook every time that we saw her was very inspirational. Not once did we hear any complaining or her feeling sorry for herself. We'll always remember that. Godspeed, Colleen, on your journey. You'll be missed.##imported-begin##Dave and Gay Harris##imported-end##
