CB will be missed by my family. We have some amazing memories to keep his spirit alive with. As my daughter said when she found out of his passing, he was there for quite a bit of our lives when Blake and I were growing up and was part of our family too. Our thoughts and prayers are with you.

“ Being childhood best friends with his sister Alesia, I was around
Collin a lot. He was the annoying little brother who used to bug us a
lot but he was also a cool little brother at the same time. He was a
funny kid who was always making us laugh. I didn't see him after HS
but Alesia always filled me in on his life. He is no longer in any pain.
May God watch over him and give him the peace that he deserved.
My condolences to his family. RIP Collin
