“ I saw this picture in the paper and I am moved to a river of tears and big heartache. What a precious baby. And a huge loss. I cannot imagine what you as parents are going through. How hard it must be to imagine he truly is not suffering when your own suffering is so great. I will be praying the Rosary that God will act in his mysterious ways to comfort you, calm you, and reassure you that not only are beautiful angels with 20 feet tall wings joyfully caring for your precious Son as he grows but also that he is checking in on you both while blowing kisses from high above the clouds all the days of your lives.
