Connie was a close friend of mine in the 70's. She was a guest at my wedding reception in 1980. It's the way I always remember her.

“ I went to high school with Connie Leikis. The photos are from that timeframe. We enjoyed the FBLA Future Business Leaders of America club and these trips to Springfield, IL and New Salem. Her favorite color purple! And her best friend in high school was Pat Lazar. I saw her and Pat at our 10 year reunion. Here is a photo of that event.

I hope these photos bring you joy. In sympathy and remembrance.
