“ I just heard the news. I've known him since Rich East days. Remember his Chevelle he painted Rustoleum black, with a ROLLER? It turned out pretty good, really. He was a good guy. Sorry to see 'em go.

“ The heartbreak of losing you is palpable by everyone. You were a big teddy bear of a guy. Thanks for the fun memories of going out with your friends.....what an amazing group of people. I know that you, Grandma & Grandpa are dancing in heaven. Love you always Uncle Craig.

“ Memories of Craig, teaching me to drive a standard in his nova. I took the corner too fast and we ended up in the cornfield. scared me to death. He was so sweet and patient. Didn't even get mad.

“ I met Craig 13 years ago when I started dating Mark. What a sweet man and funny. We always sent him postcards of our travels. He loved my Daughters homemade jam and always asked 'has she made any more yet....sure love that jam!' I also have a 'Shoe' rock that I will cherish forever. I will miss him saying "Margieeeeeeeeeeeee" and I would say "Shoeeeeeeeeeeeeeeeee" My deepest sympathy to his family and to Jeanie who he loved so much. He will be missed <3 I also know we will see each other again.

“ I dated Craig in high school. He was crazy about motor cycles then. He would ride in the winter when it was freezing cold. I moved away and we lost touch. I Hope he had a good life. Only the good die young.

I am sorry for the loss. I remember in high school riding with Craig when he had a 305 Honda. In fact I helped him repaint it and we put tank in my mom's oven to bake fish. Needless to say it worked but stuck up house and mom was not too happy. I also have an old Schwinn bicycle he sold me in high school which I just recently started riding again. I know he is still riding in heaven. Al Janusz
