“ Although I only interacted with Curt as a fellow Ranger in the Klamath Network of Parks (Northern CA and Southern OR Parks), I found him to be a dedicated and loyal servant of the National Park Service.

In all he did for the NPS, he brought credit to himself, the National Park Service, his fellow Rangers, and to his parents.

Curt will be missed and remembered for his contributions to Redwood National and State Parks, and to the National Park Service.##imported-begin##Ken Hay##imported-end##

“ Bill,

I never met your son, but I would like to offer your family the thoughts and prayers of United Sun City Fire Fighters Local 3573. My dad Fred Ohrt called me and expressed his sadness and wished you his thoughts and prayers. Curt will be in our thoughts and prayers.##imported-begin##Fred Ohrt Jr.##imported-end##

“ I went to school with Curt up to grad-
uation from Eastridge. As a student, he
was an excellent class mate. He
helped me out a few times in my studies. I
felt like I could call him a "friend".
It has been over (25) years since our
graduation, and we have lost touch
over the years. I am saddened to hear of his
passing and for your loss. Sincerely,
Donald L. Beckner

“ We are so sorry for your loss. ½ The first thing I thought about was vacationing at Cedar Lake Lodge. ½ We were really young then, but I think Curt already had a love of the outdoors. ½

“ Bill, Eileen, Glenn:

We were so sorry to read about Curt in the Daily Journal Internet Edition. i¿½

We have thought of you all throughout the years. i¿½We have many fond memories of both Curt and Glenn during the time they helped us at Exline Gun Club. i¿½Our first memory of Curt was how he pitched in and trained to be a trap-setter, and how Bill wanted to repay us the money that Curt earned, but we refused as Curt actually earned the pay. i¿½

We are sorry that we can't express our sympathy in person, as we are in Florida, but our sincere thoughts and prayers are with you.

God Bless,

NAT & RALPH FERRARI
