“ Aunt Cindy, I remember as a little girl and even recently, you and your family always being a part of our lives. ĩ½You loved the outdoors and to come camping with us. ĩ½We even listened to the country music you loved so much. ĩ½We will miss your stories and talkative nature.

You have many "nieces and nephews".

Peace to you and everlasting life.

“ Aunt Cindy,
Where do I begin? You will be missed by all who knew you. We loved your one-liners that had us cracking up! I even got a few recipes from you because you were a fabulous cook. You sure did love that country music t.v. when you came to visit. Your life was busy, and difficult at times, but you managed to make it through. We hope you are at peace and finally resting with blessings from above.
Love, Tom, Karen, & Yolie
