“ I met Cindy in my younger days as a silly teenager that thought she
knew everything. Lots of lessons learned and Cindy was huge
positive influence for me. I'd stay with her from time to time. Oh how
I miss those days of french fries in brown paper bag and Italian beef
wrapped in the wax paper from Matt's Pizza. We sure made a lot of
memories and Cindy was always a hoot. Loved her energy and her
humor. She was my angel so many times. RIP my friend till we meet
again.
