“ *Dala was a great friend for many years. We met at Riverside, and continued our friendship thru Paperback Reader. She had a great heart. Always asked my daughter Emily's health. Was always there for me. She will be missed.*

“ I enjoyed working with Dala in her role as a pioneer in the
conversion of Riverside from a paper-based nursing care
organization to a computerized operation. This was between 1978
and 1981 before anyone had computers in their homes. Dala
learned it quickly and taught many staff members not to fear the
change. What an amazing nurse and also a human with a positive
attitude. Bob Meling
