*“ We just found out Dale was gone. He was our neighbor when he was younger. I can still see him playing in the sandbox like it was yesterday. Time goes by so quickly and you just never realize you might not see someone again. We are sorry for his family and friends. We won't forget you Dale. Love, Robin, Daisy and Alex
P.S. Daisy still has the blue star stone you gave her.*

“ I was saddened to learn of Dale's death. I knew him at Asbury and I would see him as a student at BBCHS when I subbed. I could always count on Dale to help me out by taking the attendance down to the proper place without taking the "scenic route" and meandering his way back to class. He was a fine young man and will be missed!

“ I am thankful for having met Dale we were part of the Asbury United Methodist Church family. I watched from the sidelines as Dale grew up before my eyes. What a nice young man he turned out to be. It was such a sad day when I learned of his passing. God received a new angel and hard worker. until we see each other again. Continued prayer for the family for comfort and understanding at this time of loss.

“ Dale and I were in the same math class my sophomore year and we had PE together the following year. I will always remember Dale as being such a bright light and one of the funniest people I'd met. He always made everyone around him laugh and could light up a room with his humor. It saddens me so much to hear of his passing. I just know someone like him, with so much energy and love to give the world, could only be in the most amazing place right now & his spirit will continue to live on endlessly.

“ We are so very sorry for your loss of Dale. He and Gabbie have been friends for so long, we don't remember a time when Dale wasn't a common fixture in our home and his loss is felt deeply by all of us. We are all very heartbroken as we loved Dale as one of our family. We will miss his bright , cheerful smile, his visits to swim in the pool during the summer, hanging to just watch a moving, or the many times Gabbie would say “Dales coming to get his hair colored” and my response was always “you two better clean it up and not get it everywhere!” — The Family of Gabbie Horn.
