“ *Judy, Brian & Jennifer:*
Words cannot express our deepest sympathy. Dale was a great friend to us, if we ever had a problem or just a simple question, he was always there with an answer! We are going to sincerely miss seeing him driving around town in his "yellow car"!! We'll never forget the day he bought that car and brought it over for us to see, WOW, was it ever bright...:) but he LOVED it, you could tell by the "tell,tell" smile on his face! We will always hold the fondest memories of Dale close to our hearts!##imported-begin##Roger & Janie Wells##imported-end##

“ *May God cradle you in his loving arms. I understand you were truly loved by your high school classmates and that your passing has sadden everyone. Although I met you only once, there was a kindness and warmth that you showed during our meeting.##imported-begin##Bill Davis##imported-end##*

“ Judy and Family

I was shocked and saddened when I picked up the paper and read of Dale's passing.

I will always remember Dale and his sense of humor. He was just so full of it---laughing like crazy at his own jokes! Always planning his next joke.

I never saw him when he wasn't laughing or telling a joke. Every time he came in to Eagle, he would have to call me down out of the booth to tell me a joke--and then he would just howl with laughter and leave! Even if the joke wasn't funny, I had to laugh at Dale! He had such a good time!

I know your hearts are breaking, and I pray you find peace in your memories of Dale and the wonderful life you had together.

Sincerely,
Karen###imported-begin###Karen S. Cantone###imported-end##
