“ I met Dale while working at Styck's Body Shop in Gibson City around 2001. It was always nice to see Dale stop in every time he was coming through town. I purchased the body shop 6 years ago and he still always stopped a couple times a year full of energy and fast talking like we had been friends forever. His words "You Mean" and all the conversations we had about the body business will be a great memory for me as this man had more energy than I do at the age of 47! My deepest condolence to his family for your loss. Brian Bane Gibson City, Illinois
