“ I am so sorry to learn of Dale's passing. I know he was not in the best of health the last several years and my heartfelt condolences go out to all of you in Dale's family. I not only had the privilege of knowing him in high school, but we were both at NIU together and saw each other periodically on campus. Keep his memory in your hearts and he will live on with all of you. May he rest peacefully, free from the bonds of illness or sadness.
