“ *I'm so sorry to read of his passing. My Dad and his Dad were friends from way, way back. His brother Ronnie and I were classmates in school. Later I moved to Clifton and knew all of his uncles and grandfather (lived just a mile apart from several of them). They were a good family and are missed.*

“ *Whenever I saw Dallas I was always greeted with a big hug. He loved his red Avon dishes and got so tickled when I would find some *bargains* at a garage sale and stop over and bring them to him. He was so loved and will be missed, two of the best things you can say about a person...both apply to Dallas. RIP I will never see red Avon again without thinking of you!*
