Tribute Wall

“ Daniel is one of the best humans I have met on this planet. He had the empathy to understand and the wisdom to try to guide. This may not have always worked out the way he wished, but that is not how the universe works.

He tried to be the good soul and the good guide to those around them and he allowed them the chance to hear. I heard. I am thankful he was a part of my life when I needed it most. To Danny's family, please know I loved this man like a brother and I wish I was there to celebrate his life with you. He will rest in peace because he earned it.
