“ *My words will never express properly the impact your father had on my life. Your family sheltered me when I knew no other place to go for love and support. I know nothing I say will lessen your loss, but please know I love you all.*

“ *My heart breaks for Bev, Tammie, Lori and their families!! I have known Dan my entire life and he was always so kind to me! I grew up pretty much living at their house (until my mom "yelled" me home) playing in the yard, redecorating Loris room whenever we felt the need, the entire summer Dan and Bev let Lori and I camp at IB, and so many other precious memories. May you walk with The Lord now Dan, happy, healthy, and pain free! You have always been like a second family to me and for that I thank you!! God Bless you all*

“ It is impossible to think of my childhood days in St. Anne without immediately thinking of the many, many days spent at the Chase house. I remember having to be quiet because Danny was sleeping. If ever we disturbed him, I never knew. Danny was always a happy man, I can only remember him smiling. Thank you Danny for opening your home to me all those years. My father worked with Danny at General Foods and could only say nice things about him as well. My thoughts are with you all during this difficult time. Sending lots of love to all of you.

“ I love you daddy. I am so thankful for the last few days we spent together. They were the most excruciating, yet beautiful days of my life. Thank you for all the years of hard work you did to provide for us. Thank you for all the times you took us camping and played with us in the snow. Thank you for loving me.
