“ *Hugs to Mary and Charlie during this difficult time - Living next door to Mary and Dan has always been a blessing to me. Dan was there when I got locked out of my house and was able to work my key better than I could! He always seemed always seemed to have a smile on his face — and ready to help anyone in need. He was a hard worker as you'd see him working in the yard or the garage. Dan will truly be missed by all those who knew him. Sincere sympathy to the whole family.*
