All the cute memories that we have of Dan when he was younger, about the age of 4 coming down to Annabelle's house to use her bathroom and on the way out always seem to get 3 or 4 cookies. Daniel always knew Annabelle had cookies in the jar for him. When all the kids were in school Daniel wasn't in school yet, & when our monkey Jimmie would get loose while we were in school, mom"Annabelle" would have to call down & tell Sue to please send Daniel down the the house to catch the monkey, & put in his cage. Jimmie was more receptive to Daniel then mom, Daniel earned several cookies when those days happened! The whole Egerton family loved Daniel very much, and we will miss him very much.
