“ *I'm very sorry for you and your family's loss Chris. I remember working with your dad, I had to ground for him (I got a good workout every time!!) He was tough and fair, one night when it was very cold I had to work a spine car, and I didn't know how to do the bolsters, your dad got out of the cab of the crane and walked the length of the track with me showing me how to do them. I really enjoyed working with him and again sorry for your loss you are in our prayers.*

“ My prayers are with your family Chris. I had the pleasure with working with your dad at both the UP and the BNSF yards and you couldn't have found a more hard working and loyal worker as him. He was a joy to be around and we'll all sadly miss him. He's in a better place now and may God bless you and your family.
