“ Yes, like Donna said Dan the man!
Bob and I had so many good times and memories with Dan. He was so much fun to work!
I remember on a Saturday night him getting pushed around in a BMC and shooting rubber bands at him 😂
He made work go by faster. Dan such a fun, loving person. You will truly be missed! 😭

Dan flying high with the angels. 🙏🙏🙏🙏

“ *Dan the man! My fellow co-worker for many yrs.. Even covered his route for him on his days off as his swing carrier .. He would be at his route casing mail in the morning singing..*

Aunt Jemima pancakes... without the syrup... 🎵

and some silly jingle about...

I don't care if you wear underwear...

he would turn the darkest shade of red when you called him out on something...

rest in peace Dan. the man you left behind some good memories as your legacy 🕊️

“ My name in school was Alexia Chambers. I was actually in Mikes Class but I knew Dan too! He was a super nice guy and I am so sad he is gone. I did get to see him about last October . He just happened to stop in where I worked. I'm thankful I was able to talk to him for awhile. I'm sad to hear of his passing. May he rest in peace. God Bless you too Nan! I will try to make the C of L

“ My daughter in law and I would always start singing Hey hey wait a minute Mr. Postman whenever we caught him delivering the mail. He got so tickled by it. I'll always cherish the memories of time we spent together. RIH Danny.

“ I grew up next door to the Regas' I spent the night when my younger brothers were born . Danny used to write me when he was in the service , he also sent pic's of naked Japanese women till my mother found them ? A big memory was when he broke his leg and was in a full cast and we went to see Jaws when it came out . I wish I would of seen Dan more often . God Bless Dan , Love Ya Louie !!

“ Rick and Debbie Varney
Our deepest condolences to Dan's family. You are in our thoughts and prayers. He will always be in our hearts.

"Dang, Life is good"

Was what you would hear when he walked through the door at Marie's. We would hangout taking turns buying each other Miller Lites. When Bill was there, we would laugh until we cried or cry until we laughed. You could talk to him about anything and we did. Food was often the subject of the day. We shared recipes, he had never heard of Oxtail soup. After he tried it that's all he wanted me to bring him. "When you making that Oxtail soup again"was the first thing out of his mouth. Great choice Dan. He was truely one of my closest friends. He will truely be missed. Love you Dan
