

Darci Shalice Denoyer-Mills

December 23, 1971 - November 11, 2020

Darci Shalice Denoyer-Mills, age 48, of Bradley passed away peacefully at her home Wednesday, November 11, 2020 surrounded by loved ones. She was born December 23, 1971 in Kankakee to Karen (Helgeson) Denoyer and Gary Denoyer.

She dedicated 22 years to teaching 5th grade at Bradley West Elementary School. Darci had the ability to make all of her students feel loved and treated them as her own. Along with her passion for teaching she enjoyed exercising and spending time outdoors. Her most treasured times were those spent with her children making memories and attending their activities. Darci loved being with family and was an amazing daughter, wife, mother, sister, and friend. She had a beautiful smile that matched her personality and she touched the lives of many.

Darci attended Gathering Point Church in Bourbonnais.

Surviving are her husband Scott Mills, son Jackson Mills, and daughter Natalie Mills, all of Bradley; her parents Karen (Helgeson) Denoyer and Gary Denoyer of Bourbonnais; one brother and sister-in-law Damon (Stephanie) Denoyer of Bourbonnais; one sister and brother-in-law Danika (Scott) Schultz of Bourbonnais; and several nieces and nephews.

Darci is preceded in death by her maternal grandmother, Marie Helgeson and paternal grandparents, Herbert and Leatha Denoyer.

Services: A memorial will be held at Gathering Point Church Saturday November 14th 2020 at 10 am for family.

Memorials: In lieu of flowers the family has requested that remembrances be made in the form of contributions to an educational fund for her children, Jackson and Natalie Mills.

“ I was so happy to welcome Darci into our family when she married my cousin, Scott Mills. She was warm, gracious, and obviously very much in love with Scott. Over the years, I've watched her (from afar) raise two lovely children and grace their home with love and beauty. I am heartbroken for Scott, and for Darci's family. I understand how devastating this loss is, but I am so very grateful for Darci's presence in our lives. She will be remembered with great affection. And I look forward to one day sharing a lively reunion with her!

“ I was Darci’s third grade teacher. She was bright, talented, beautiful, and very shy. She was one of the best students I ever had. Her parents were so proud of her and I understood why. Several years later I was so pleased to see that she was hired by my district. I taught at Bradley for 39 years and had the great honor to work with her. I was so proud of her. She put her whole heart into everything she did just as she had as a child. She was an awesome teacher loved by all her students and colleagues. When she became ill I never heard her complain. She remained positive to the end. As I battle cancer myself, I pray I can do it with the same dignity and grace as she did. She left a legacy of love. My sincerest and heartfelt sympathy to her family. I know she is safe in the arms of God but I know that doesn’t make it any easier for you.

“ *I'm so incredibly saddened for the Denoyer-Mills family. Darci had a heart of gold and touched the lives of so many people including mine. Some of the hardest times in my life she reassured me it was going to be ok. She was my 5th grade teacher, I was part of her second year teaching at Bradley West. I loved being in her class. All the fun things we did, and her love for N*SYNC, mainly JC. Although we hadn't talked in a while she was an inspiration to me. She treated her students as if they were her own. She has made an impact on my life and I am forever grateful for her. You will be missed.*

Sending my love and prayers to the Denoyer & Mills family.

“*Darci has ran a Great race and has finished the race as a CHAMPION in God's eyes. She has kept her eye on the goal of being a witness of God's Love and has touched many life's. Throughout her journey with cancer she kept on course and stayed in the race trusting God each step of the way. I asked God why He allowed this to happen and His answer was clear "For the Gospel of my Word." I was touched and realized Darci is touching life's and being a witness for God throughout this journey. A family member a friend someone she knows or someone she just met her testimony is leading life's to God. Tomorrow and the day after for a long time people will continue to be touched for God's leading in their life's because of Darci's sincere testimony of true faith in God. Heaven has gained an Angel who lives on in the hearts and life's of those who knew and loved her and are touched by the life she lived. One day we will meet again in Heaven until then Prayers to the family and friends of Darci Denoyer-Mills.*
