“ Me and my brother loved our dad. He was a great father to us and always put up with our shenanigans all the time. He loved fishing with my brother and loved goofing around with me judging everyone and anyone(sorry everyone but it's true). Were going to miss OUR dad and are very offended that his mother didn't name us on his obituary.. thanks lady glad to know your not family to us.

He knew 2 of my kids dads and we all hung out back in the day! Never met a kinder person! I'm really sad knowing how he passed! No person deserves it but definitely NOT Darin! He loved his kids & grands to no end! I luv you my friend! So glad we crossed paths! Until the next, we will then have another cup o coffee!* ☕😭💔

“ Brian, Helen Ralph, Jeanette, Lauren and family,
Sorry for your loss, you and your family are in my thoughts and prayers. I will not be able to make the services I will be out of town. I remember Darin and Brian growing up, his step dad Dwayne Kelly was my Dad's best friend. We have a picture of him and Tina, getting married, pretend of course, lol! He was a ball of energy, and told you what was on his mind. Rest in peace Darin, you are free of pain and suffering, and behave yourself up there. Until we meet again my friend.

“ He loved his kids all 5 of them and Mac puppy. Every summer he would look forward to going fishing with his youngest son Tyler Leonard on his boat all the time and would call me to tell me about the craziness that went on. He was so proud of his youngest daughter Tyana Leonard and everything she achieved in her life. How she was an awesome dog trainer and had his attitude. Lol I loved him so much he was my best friend.
