“ Aunt Darlene.

I will always remember your voice.

I will always remember your laugh.

I will always remember how you continually had your hair perfect every time I saw you.

I will always remember how great you cooked.

I will always remember how you and Uncle Hank used to kid around with each other.

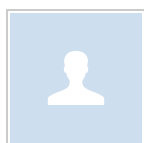

You had so many special qualities in life.

Lastly, I will ALWAYS remember how unselfish and loving you were to us and your family. You will be TRULY missed...

Love, Your Niece, Laura

“ I want to offer my deepest sympathy on the loss of Darlene. I think I have the right Bernard, if not, I apologize.

If you lived in Roseland at 118th Place and Indiana--across from St. Salomea Church/school, then I have the right person. I was a year ahead of you at St. Salomea.

I lost my wife suddenly 10 years ago, so I know your grief. I hope you will find comfort in the months ahead of you.

Take care,

John##imported-begin##John J. Lulewicz##imported-end##

“ My sister left us to soon. But God wanted her home for her work on earth was done. She had a heart of gold, loved her children, and when she looked at her grandchildren you could see the love from her to them. She loved her garden and I hope God has one for her to take care of. We were to grown old , have fun, and enjoy life. I'm glad we had the time we did. Now I trust God will take good care of her, till we see each other once more. I love you Darlene, Love Cookie##imported-begin##Allene##imported-end##
