“ Darrel- You are my brotha from anotha mutha. I will never forget all of the fun that we had: from the square to Shake n Bake, to Florida, Missouri and back again. You, white Ron and black Ron; the good ol days.

You were always there for me in good times and bad. Neither of us was ever afraid to speak our mind to the other one. I know that if I texted you, that you would have been here in an instant and vice versa.

I can't even begin to list the positive ways that you were there for Lin. ĩ½She absolutely adores you, as I'm sure you were well aware. Again, thank you for everything that you have done for her and me. This just doesn't seem real, even though we've been preparing for this day for years.

You have pissed me off more than any other person that I know. You always said it's better to piss me off than piss on me! I am going to miss you way more than you know. I ˆ U. RIP Darrel 9/10/1969-7/26/2010###imported-begin###Melanie Mahoney###imported-end##

“ To our dear Darrel...my hero. ¶½Words cannot explain how my heart aches because you are gone. I am so happy that you are no longer suffering - you fought so long and so hard. ¶½You are an inspiration to me. ¶½Thank you for letting me be part of your life. ¶½I am so glad we got to experience Boston and Fenway Park with you. ¶½I am so glad you thought of me when giving my sister tickets to Wrigley Field and so happy you joined even though I know you were suffering terribly. ¶½Thank you for loving my beautiful sister Sandra and for being a part of her life for the past 4 years. ¶½She misses you more than you will ever know, D. ¶½Thank you for giving her some wonderful memories that she will always have with her. ¶½This all seems so very unreal right now. ¶½I know you are in a better place now, and I know you are no longer in pain. ¶½I am trying to find solace in that. ¶½Thank you for being a part of our lives, Darrel. ¶½I love you and miss you.##imported-begin##Shawna Roof##imported-end##

“ Darrel's strength and love of life were amazing, and will remain an inspiration for us. We wish we had known him longer and better, but are assured that he was loved more, in his too-short life, than most people experience over many decades. Anyone who ever had the pleasure of sharing Darrel and Sandra's presence knew that they were a very special couple. We thank God for giving Darrel rest, and pray that He soon provides comfort for Sandra.###imported-begin###Don Holt###imported-end###

“ To know Darrel was to love him. One of the most kind hearted people that I knew, he would do anything for Sandra, and of course Velma. Darrel would go out of his way for anyone, never hold a grudge and appreciated everything in life. There is not much more I can say about someone who has touched our lives and will be missed. Words truly cannot express Darrel, you had to know him. That in itself is a priviledge.##imported-begin##Jay and Dana Fruendt##imported-end##
