“ I haven't seen or spoke to Darrin in 27 years. But I remember a sweet boy - who gave me my first kiss in 6th grade. He is part of my history and was a sweet first kiss with really good memories. He is in a peaceful place where we will see him again. Thoughts and prayers to the family who lost their beloved darrin.

*i grew up with darrin and will always remember all the fun we had terrorizing the neighborhood when we wre kids. like when we used to steal the christmas lights from the neighbors outside decorations or all the times we would go jumping in the river off the bridge on route 17. we did more than our fair share of partying together and though i haven't seen darrin for a few years i'll always remember all the good times we had. the world is a little less bright now. rest in peace darrin.*
