“ I'll never forget the moment we met Dave, seeing him in the yard sitting Indian style doing yard work and getting to visit with him. Thank you for all the effort you put into our boys over the years, first as your paper boys, then as your lawncare. You helped us grow them into young men with strong work ethic and attention to detail. You were a cheerleader to their successes and encouraged them to keep going. Dave was always so generous with them and it wasn't expected. We will surely miss him. Bye for now Dave. We love you and Ann.
