So sorry to hear of Dave's passing. He was usually one of the first patients after we opened the office. We looked forward to his happy attitude and smile. We always teased him about wearing shorts well into the winter weather. We will miss him sorely....

“ *With deep sadness, I offer condolences and prayers for some peace to a family that has lost such a generous and loving man. Dave and I went to school together and his laugh is one of the true greats about Dave. He greeted you with that large laugh and great smile and things were just better for being around him. His love for his family is another great.*

Dave is a soul that will not be forgotten; he will live on in stories told about football, family and fun with his friends. We are all better for having him in our lives even though he's been taken from us too damn soon.

May the shared memories bring more laughter than tears over time and help to lift the cloud of sadness that is here now with the loss of my classmate and friend, Big Dave. Rest in peace Dave, and say hey to Mike for me.

“ *I shall always remember Dave as "my first baseman" on the Chebanse Pony/Colt league baseball teams. Many..many years ago Dave hit a home run at Bradley field that I swear is still going. His smile was contagious. I shall always remember his smile and his home run trot.*

Rest In Peace Dave.
