“ To Regina and Family, <br><br>Our hearts are heavy knowing how much we all will miss Dave. ĩ½His untimely and sudden departure is such a shock to us all, but is an eternal event that only Uncle David in his magical way with words and circumstances could include as an appropriate thread in the tapestry of his life. ĩ½Even though I know Dave did not want to leave us yet, he would make it be okay. ĩ½At lunch just 2 weeks ago, he spoke of future plans and get-togethers we would share. ĩ½So now, we think of all the wonderful memories we share with Dave, the years growing up the same age, playing, planning, scheming together, along with Bobby Hale, usually at Carroll Family Reunions or the Camp Grounds. ĩ½The time we lived together in Harvey, IL with Burhead Henderson and Doyle McCullough while we all worked at Whiting Crane Corp. ĩ½Then Dave found a little girl, (named Regina) and fell in love. ĩ½He asked me to be a groomsman at his wedding and I was proud to serve. ĩ½That day was to be a major event of my life. ĩ½I met Sharon that day over 40 years ago and the rest is history. ĩ½After having had sporadic contact over the years while in military service, more recently I was able to just "stop in" unannounced and see "Uncle Dave" from time to time. ĩ½Without exception, he stopped what he was doing and took time to talk with me, sometimes for hours. ĩ½He was always busy, but always took time. ĩ½We always had many laughs, many great stories, wonderful memories and planned for times in the future. ĩ½We will miss him very much! ĩ½We love you Dave and look forward to seeing you, Dad, and the rest of the family at a GREAT Reunion one day soon. ĩ½ĩ½ĩ½ĩ½ĩ½ĩ½ĩ½ĩ½###imported-begin###Cecil and Sharon Carroll, Jr###imported-end###

“ David, you and I spent lots of time together as children. ĩ½You were 6 years younger than me, but we played a lot together. ĩ½"cars and trucks" remember?<br><br>Also I made up stories to tell you the year you were 6 and not able to go to school because of Rhumatic fever. ĩ½I called them Shutsbald stories and you loved them. ĩ½When Jim and I were dating and sitting in the porch swing..you were bouncing the basket ball all around the yard, keeping a close eye on us...ha. ĩ½We laughed about that. ĩ½Said maybe Mom had sent you out there. ĩ½I helped you with your many paper routes when you were not able to go. ĩ½I don't know how you remembered all the different papers and who got what...I'm sure I messed up some. ĩ½Even when you were all grown up, I thought of you as my "little brother". ĩ½I love you and always will...I love Jeanie and family too. ĩ½You are all special. ĩ½Jeanie...take care and know that you will always be, "our family"....<br><br>Love<br><br>Ruthie<br><br>##imported-begin##Ruthie Carroll Yates##imported-end##
