“ Barb, I'm so very sorry to hear about Dave. He was a good person to work with and a nice person to know. I am praying for you and the family. The grief is horrible yet, we make it through it all because of family, friends and God. I'm thinking he's probably with my David having a few beers and reminiscing about things together. You and your family have my deepest sympathy.
Bless you

“ Worked with Dave a long time at Armstrong, he was a character. Very good at his craft which was a machinist. Also was fortunate to have a lot of fun with him outside of work. I always had fun talking Cubs and Sox with him. God Bless Dave and his family.
