Dave was a good friend and fellow fireman. We shared many a good time working at the village and in the activities at the Bradley VFW over the years. He will be missed. Have strength to bear with this Mary. May he rest in peace.

“ I worked with Dave for many years and can remember the time Jim Travis closed me in an air pack cabinet on one of the fire trucks then had Dave go to get the air pack...LOL I am no small guy and when Dave opened the door I was coming out...lol I never heard so many bad words come out of one mans mouth. Dave had his note book out and was writing in it before his feet were back on the ground.. Dave was a fun man to work with. He will be missed. God Bless

“ Dave and Mary are 2 of our dearest friends! Dave would give you the shirt off his back if you needed it. My fondest memories are of Dave stopping by Peoples Bank just to say hi to his little punkin and also making us all laugh so hard. We always knew a night out with the Grises would be full of fun and laughing! I know your in heaven making everyone laugh! Thanks Dave!

“ Oh what a memory I have of when I was in Loyola after smashing my face and breaking my neck. They were wheeling me to physical therapy through a waiting room and there was Mary and Dave waiting to see a Doctor. Well I started "Right, Right Right", and as soon as he seen me he started "Right Right Right" the people looked at us like we were crazy, and did we laugh! We laugh together about that often. Rest in peace my friend. Right Right Right
