“ I was always so fond of your Dad (Uncle David) as he always had a smile to share. He will be missed but it must comfort you to know that he has been reunited with your Mom and your brother Greg. It is my hope that you find peace in your loss.

“ Ron, Tom and families,

It was with great sadness that I learned of David's death. I recall one time when I was visiting my brother, Jim, in Kankakee, I shared our dessert with him one evening. We had such a nice conversation. He spoke of his love for Rose and how he missed her. He was so proud of you and bragged about you and your families. I wish I could be there to express my condolences in person. Please know that my thoughts are with you at this time of sorrow. Dave's continued friendship with my brother meant a great deal to Jim. He was a good man and the world will be a sadder place without him in it.

“ Ron & Tom & family-
Please accept my prayers on the passing of your dad. He was always such a positive influence and great part of my youth. It is amazing how he survived so many medical issues to lead a long life. That is an inspiration for many of us.

Tom, Ron and families,

I'm so sorry to hear of the passing of your dad. I really enjoyed talking with him and your mother out at the Elks Club. We played golf in the calcutta together one year and had a blast. They both were great, kind people. I will say a prayer.
