“ Our thoughts and prayers go out to David's family. I would see David when he came in to pick up his Rx. Always had a smile, and a few minutes to pass the time of day. What a great guy. He will be missed.

“ May you find the courage to face tomorrow in the love that surrounds you.....your loved one will always be as close as a memory

and the God of all comfort is always as close as a prayer. Life doesn't make sense at many moments in our life. The pain we go through when we lose someone we love never goes away, it just fades. Please keep your heart open to the many gifts of love you will be receiving in the near future. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5

“ I have known Dave for over 30 years. He was a loyal customer and a good friend. I didn't get to see or talk to Dave much recently but I never forgot how much I enjoyed seeing him and talking to him whenever he stopped by my shop. He will be missed. My condolences to his family.

“ I always thought of Dave as a man of quiet strength, with his family the core of his world. I have always admired him. I mourn this loss for Donna and for his children Scott and Sherry and their young families. May the stories he told, the memories you made together, the lessons he taught and the family events you shared flow easily in your memories and give you comfort and peace to know he did his job well on this earth and his love is always with you. We all grieve for you here and wish you strength in the coming days. ##imported-begin##Marsha Benson##imported-end##

“ Dave was the best boss I ever worked for. He was the most fair minded of all. He was respectful. Never had you do anything that he couldn't do himself. More people could learn from him. Always spoke highly of his son. In sports I did quite well, in Dave's eyes his son was the best...as a father should be!##imported-begin##Lance Merrill##imported-end##

“ I'm so sorry to hear about David's death. I know its been years and years, but I have very fond memories of David and want to express my sorrow at your loss, Donna and your children. How sad to lose contact. ¶½My friend in K3 keeps me up on what is in the paper. ¶½Your son looks like he could have been one of mine. My sincere sympathy, Donna. ¶½Would I be allowed to know what caused David's death, as I have no way of knowing what was heritary or not in the Kendregan family. ¶½What a shame I didn't get to ask David myself about family history. Don and Audrey's children let me know about Tom's death, but again, I don't know what cause his demise. ¶½My friends are Pat Wolf, Carolyn, Gene and Nathan Bass who live in Bourbonnais. ¶½We visit about once a year. ¶½So sorry for your loss, Donna. ¶½I remember you as being a very, very nice person, and David as well.
